Fitness & Exercise Classes

Intensity Levels- ask a Wellness team member for descriptions.

SilverSneakers® Classic: (*Intensity Level 1*) Increase muscle strength and range of movement, and improve activities for daily living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

SilverSneakers® Stability: (*Intensity Level 1*) Get stronger and improve your balance through exercises that strengthen the ankle, knee and hip joints, all in a fun and social setting. This class is designed specifically to help prevent falls.

SilverSneakers BOOM™ MUSCLE: (*Intensity Level 2*) This class incorporates athletic exercises that boost your overall fitness. Move through muscle-conditioning blocks and activity-specific drills to improve strength and functional skill.
